

Jinny Blom

Graduate Landscape Architect

Jinny Blom Studio is a uniquely creative multidisciplinary landscape architecture practice based in the design hub of Clerkenwell, London. Our award-winning work in the UK, Europe and internationally shows projects as varied as our clients.

We are culturally committed to intelligent design and imaginative use of land to make it better for people, plants, wildlife and the future. We have strong design aesthetics and principles. Attention to detail in both research and design are core. We collaborate with a wide range of specialist designers, craftsmen, and the very best Architectural practices to achieve our exceptionally high standards.

We are looking for a talented landscape architect to join us. Your strengths will be your ability to;

- Multitask and communicate well
- Give support to the senior team
- Work confidently with AutoCAD, Sketchup, Adobe Creative Suite, and others
- Be a creative, highly motivated, and innovative problem solver
- Demonstrate hand drawing
- Offer model making skills

Please send your CV (10mb limit), covering letter and portfolio to julia@jinnyblom.com

Closing Date 12th November 2018
